Advance Notice:

In order for Waikato Science Fair to have school groups view the amazing achievements of students it means the traditional pick up the boards and wall charts is no longer on a Saturday.

Pick up of boards and wall charts will take place from 2.00pm - 4.00 pm on Friday 16th August. Please do not collect earlier than 2.00pm. It would be sensible if schools could arrange for a staff member or a parent to collect all entries at the same time.

Waikato Science Fair also is asking that any props or equipment is removed after judging on Thursday 15th August for security reasons.
