Change for 2019:

No booklets are printed this year with the exhibit numbers.

An email will be sent to schools shortly after August 5th that will contain the class and the student number. Please give this number to the student. There will be staff available at the registration desk on the day but having the number early will help the process.

Judging:

Thursday 15th August 2019
Hamilton Gardens Pavilion
Students need to be ready for judging by 8.45 am.
Please arrive between 8.15 and 8.30 am.

Parents and teachers will be asked to leave the exhibition hall at 8:55 prior to judging. Exhibitors will remain with their exhibit.

Prizegiving:

Tuesday 20th August 2019 at 7.00pm St Paul's Collegiate Chapel. Please be seated by 6.50 pm.

School Viewings:

Schools are welcome to view the Waikato Science Fair from 9.00 – 2.00pm on Friday the 16th 2019. For logistics please email Fiona Murphy fmurphy@shgcham.school.nz if you would like to visit. The science fair is also open to the public from 3.30 – 6.00pm on Thursday the 15th August.

Removing exhibits:

Hint from previous years: It may be useful for collection if the exhibits have the school name clearly on the back of the board (Top left corner).

Pick up of boards etc. will take place from 2.00pm - 4.00 pm on Friday 16th August. Please do not collect earlier than 2.00pm. It would be sensible if schools could arrange for a staff member or a parent to collect all entries at the same time.

We also ask that any props or equipment of value, students need to take these with them straight after judging. We will not be responsible for loss or damage of any props.
